

The Southern California Institute of Architecture Alumni Association  
cordially requests your participation at the

# SCI-ARC ANNUAL CAREER FAIR

Friday, March 20, 2009  
10 am - 1:30 pm

W.M. Keck Lecture Hall  
SCI-Arc  
960 E. 3rd Street  
Los Angeles, CA 90013

The Southern California Institute of Architecture (SCI-Arc) and the SCI-Arc Alumni Association (SCI A<sup>3</sup>) present our annual Career Fair -- your firm's opportunity to meet with current students interested in internships and summer positions, as well as the next group of SCI-Arc graduates as they prepare to set foot into the professional world.

Our students are well-equipped with a comprehensive knowledge and skill base from which to launch their professional careers in the creative industry - most in architecture, but also in digital media, graphic arts and multimedia design.

SCI-Arc's unique curriculum, which integrates design studio, visual studies, history, theory, and technology with professional practice and building techniques, cultivates architects and design professionals that are proficient in both the digital and material/physical aspects of practice.

Your participation in this year's career fair not only provides on-site interaction with the future thought leaders in the creative industry, but also raises your company's visibility and access to our student body throughout their academic tenure at SCI-Arc.

## **Registration Fee: \$250**

Your fee includes:

### **On-Site**

- Interviews with students seeking employment & internships. (last year over 250 students participated)
